Foreword

Everyone who writes a book has some definite aim or objective. Some write to relieve pent-up emotions, some for financial gain, others for fame and ambition, but the writer who does the greatest good for his readers and for himself, is the man who writes with a sincere desire to help others. The greatest good that we can do for others is to show them how to help themselves when they are ready and want assistance, and to make them independent instead of dependent. The man who can render helpful service to others is a success and enjoys happiness and peace of mind through giving the best he has.

My objective in writing ***The Magic Word*** is to show others the way to use and obey God's divine law and thus help them to bring out their latent talents and their God-given powers, for that is the only way they can realize health, happiness and prosperity.

I write with the knowledge that I have already received many blessings by applying the Magic Word and give thanks for the rewards I have received and shall hope to receive from my efforts in trying to help others. When they find the way through the Magic Word to a realization of their hopes and desires they will bless me for directing them in the right path. I feel certain millions of people will read ***The Magic Word*** and benefit by it.

Introduction to
THE MAGIC WORD

The Bible teaches a divine law and how you can make it work. It teaches two things: Obedience to the law brings reward, disobedience to the law brings punishment. The Good Book does not say that you have to wait until after death to receive a reward. What people want is health, happiness and prosperity here and now on this earth, not a promise of something after they are dead. This is a practical religion and the Magic Word, Jehovah, will teach you how to get what you need, here and now! Prove all things and hold fast to that which is good.

In the beginning the Word already existed; the Word was with God, and the Word was God.

From the very beginning the Word was with God.

Through him God made all things; not one thing in all creation was made without him.

The Word was the source of life, and this life brought light to people.

The light shines in the darkness, and the darkness has never put it out.

God sent his messenger, a man named John,

Who came to tell people about the light, so that all should hear the message and believe.

He himself was not the light; he came to tell about the light.

This was the real light -- the light that comes into the world and shines on all people.

The Word was in the world, and though God made the world through him, yet the world did not recognize him -- John 1:1-10.

What The Magic Word Does For You

What gives life is God's Spirit; human power is of no use at all. The words I have spoken to you bring God's life-giving Spirit. -- John 6:63.

This is proof of the power in the word JEHOVAH. The Bible says that God is spirit and John says that words are spirit and life. The word JEHOVAH will give you life, renewed energy and health.

You will know the truth, and the truth will set you free. -- John 8:32.

It is important to know what the truth is that will make you free. The Magic Word, JEHOVAH, is the truth. Jesus said, "If ye continue in my word, then are ye my disciples indeed." Therefore, the word is what makes you free and removes all doubts and fears.

They answered, "We do not want to stone you because of any good deeds, but because of your blasphemy! You are only a man, but you are trying to make yourself God!"

Jesus answered, "It is written in your own Law that God said, "You are gods.

We know that what the scripture says is true forever; and God called those people gods, the people to whom his message was given. – John 10:33-35.

Jesus meant that they were children of God and that if they obeyed the word they were gods because they had the power of the Magic Word, JEHOVAH.

Do not deceive yourselves by just listening to his word; instead, put it into practice.

If you listen to the word, but do not put it into practice you are like people who look in a mirror and see themselves as they are.

They take a good look at themselves and then go away and at once forget what they look like. -- James 1:22-24.

You must put The Magic Word, JEHOVAH, into action. Knowing the word and not doing will not get results. You must continue to repeat and concentrate on the word.

From this you can see that the word for which such great search has been made and which so many people expect to be so far from them find that it is in their hearts and in their mouths. All that you need to do to get health, happiness and wealth IS TO USE THE WORD JEHOVAH; SPEAK IT, ACT IT, PRAY WITH IT, AND MEDITATE AND CONCENTRATE ON IT. You must learn to speak the Magic Word, JEHOVAH, at the time and place given in another chapter. If you do this with faith your reward is certain, as promised in the Bible.

The Devil said to him, "If you are God's Son, order this stone to turn into bread."

But Jesus answered, "The scripture says, "Human beings cannot live on bread alone
-- Luke 4:3-4.

This is more evidence that if you live by the word of God, JEHOVAH, and practice it you will succeed.

Heaven and earth will pass away, but my words will never pass away. -- Luke 21:33.

The word JEHOVAH, the eternal, defines ONE WORD and ONE NAME of the ONE GOD which is fixed and permanent. It was powerful and worked miracles in the old days and is just as powerful and will work miracles today, if you believe and put it into action. You can test it for yourself and, by following the laws and rules written in the Bible, prove, get results and learn that it works today.

The MAGIC WORD will bring you a realization of all your desires.
"Ye shall know the truth, and the truth shall make you free."
"Ask and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you."

The aim of this book is to prove the value of the Magic Word by the Bible, and not to give the writer's opinion or the writer's rules. You can obtain results and prove to yourself that these divine laws work. My objective is to prove to you what the sacred name and divine word is and give you the evidence of what can be accomplished through sound and song, and how to use the Magic Word, JEHOVAH, to obtain health, happiness and prosperity.

Under each subject we have quoted the verses proving it. Under the name and word we have shown Bible proof of the Magic Word, JEHOVAH. We have given the same proof for fasting, healing, praying, sound, song, singing, thinking and meditation. The reason for this is to prove to you that everything is in the Bible for you to use to obtain all the aims and objectives through life by working through the divine word, JEHOVAH.

Among the best books of the Bible to read are: Psalms, Proverbs and Songs of Solomon, but you should use a Bible with a concordance and read everything under faith, fasting, love, prayer, spirit, truth, peace, forgiveness, anger, jealousy, hate, evil thoughts, money, prosperity, sacrifice, selfishness, self-denial, charity and patience.

The Bible is the greatest book ever written and contains the truth and the solution to all your problems. When you learn, understand, obey and apply the laws revealed in the Bible, you can overcome all your troubles, physical as well as financial. Let us pay reverence to this great Book and proceed to seek the light which will lead us out of darkness and eradicate fear, and give us faith, hope and confidence, based on the knowledge of the law: "Whatsoever a man soweth, that shall he also reap."

How can truth and knowledge eliminate fear and make us free? When we are possessed with fear, doubt and worry, we waste our energy by retarding and limiting our possibilities of obtaining our desires. We fear and worry because we do not know. When we need money, we worry and fear that we will not get it. When we are sick, we fear that we will not get well. But when we have knowledge of the divine law of supply and demand and know how to draw upon the universal laws which supply all our desires, then are we free from fear and worry. Therefore, let us proceed with an open mind to face and seek the truth, the divine law and the magic word of power; find it and be free.

Knock at the door of knowledge, believing that it will be opened to you and don't stop seeking and knocking until you have received. THE MAGIC WORD will teach you the law. Obey the law and nothing will be impossible. But, do not overlook the fact that you cannot get something good for nothing and that what is worth having is worth praying and working for; only your own returns to you; you must give to receive. Everything is yours if you pay the price for it, so after you know how to use the MAGIC WORD, you must work for the desired results. To work without faith and knowledge of the Divine Law and the MAGIC WORD will not get results. You must *know what you want; know the divine law whereby you can get it, obey the law; have patience and work until you succeed.*

Start to read this course of instructions with the faith that there is no limit to the divine power of the MAGIC WORD and realize that you are a part of the divine creative power and will find your Master in yourself. Your Master's voice will be heard through the MAGIC WORD. Then sickness, poverty, doubt, worry, fear, envy, jealousy and death will disappear. You will find what you have been seeking. Your heart will be filled with joy, and your life with love and happiness through the light and use of the MAGIC WORD.

Chapter I
HISTORY OF THE MAGIC WORD, OR LOST WORD

Long before the pyramids of Egypt, men sought the "Philosopher's Stone," a magic stone by which he might turn all metals into gold. Likewise, men have sought the Lost Word, the possession of which they believed would give them all power and bring them all good things in life to help them gain money, happiness and financial independence.

In ancient times it was generally believed that the Jews possessed the WORD but that they in some way lost it.

An almost life-long search for the Lost Word was made by Reuchlin of Germany. Pico Della Mirondola, in Italy, devoted his lifetime to a search for the Lost Word.

Refer to Amos 8:12: -- ″People will wander from the Dead Sea to the Mediterranean and then on around from the north to the east. They will look everywhere for a message from the Lord, but they will not find it." This is further proof that there was a word which was secret for a time and those who did not use it in the right way were not permitted to know it.

The fact that men have sought so long to find the Lost Word proved that there must have been a Word of Power in the past. Otherwise, men would not have spent a lifetime trying to find it. If there is some good proof or evidence from past history that such a word existed and was lost -- probably through the fall or disobedience of man -- then it certainly exists today. If it does, it has just as great power today as it ever had before it was lost.

The Bible tells what the Divine Word of Power is. The purpose of this book is to show you how to find and use the word of power or the *Magic Word.*

Certain lodges and orders have been organized to seek the Lost Word. Today many lodges have passwords and secret codes, and often use the Master's Word, the Spoken Word, the Word of the Law and the Word of Power.

Chapter II
THE WORD JEHOVAH

In Psalms 68:4 we are told to sing praises unto his name, by his name JAH and rejoice before him. The name Jah is an abbreviation for Jehovah and you can use the name Jah, or sound this name instead of Jehovah. In some instances you may get just as good results as you would by using the full name Jehovah, for in the same way you will get results by using the name Jesus, the name God, Israel or Immanuel, all depending upon the keynote, or musical sound or tone, that will start the proper vibrations in your body to produce harmony.

John 15:3. THE SPOKEN WORD IS VERY IMPORTANT. Some people cannot heal themselves by speaking the word to themselves, but when they hear others speak it, they learn from them and have faith in others while they do not have faith in themselves.

John 15:7.
If you understand the Magic Word and know that you have it in you, you can ask what you will and it will be done for you. Jesus said continue in love for love is the fulfilling of the law.

John 15:11,12,13.
Jesus again commands that we love one another, and stresses the value of love in keeping the commandments.

John 16:23.
Again a definite promise that whatsoever you ask in His name, you will receive.

John 17:17.
You are again told that you are sanctified through the Word, and that the Word is the truth. Now you understand why Jesus said, "Ye shall know the truth, and the truth shall make you free." God's sacred name and divine word Jehovah is the Magic Word of truth. You will no longer doubt, fear or hate after you know the truth and speak the Word, for knowing the truth and speaking the Word will make you free.

I Corinthians 14:8,9,10.
The 9th verse says, "For ye shall speak into the air." It certainly is plainly written that you must speak orally, and that you must speak into the air or broadcast your message so that your prayer, words of desire, or message will be returned to you and fulfilled, just as people who want to sell something broadcast the message by radio and this is termed "putting it on the air." People hear the message and buy the goods. Therefore, their prayer or message is answered through putting it on the air, and you must follow God's command, and put your message into the air, and confidentially expect to receive what you ask for after you repeat the word JEHOVAH.

Meet the Lord in the air and so shall we ever be with the Lord means breathing in the air or speaking into the air and meeting the Lord, because the word Lord means JEHOVAH. Then when you repeat the word JEHOVAH, the Magic Word, your message goes into the air and you have met the Lord in the air, and if you continue to speak the Word into the air you can expect the Word to be returned to you, fulfilled.

We read in God's Word that he will give to us according to our work; that he will bless those who keep his commandments. He admonishes us to reverence His name, pray in silence and not to talk too much. When you talk too much you give out your energy, your strength and your

secrets. The ancients claimed that what you retained for your own must be kept within yourself. There is an old saying that a thing talked about continually never happens. People who talk much, or make plans but never execute them, do not get any results. You will accomplish more by silently working with the Word and obeying the law.

I Corinthians 1:5.
The meaning of this is that by speaking the right word orally you are benefited. However, saying the Word in private, not public, will bring the best results.

Numbers 11:23.
This is further proof of the power of God's Word and the promise that the Word will come to pass for you if you will obey and practice it. There is no limit to what God's power can do, when you learn to practice it with faith there is no limit to what you can accomplish.

Psalms 33:6.
This is further proof that the spoken word or correct breathing is creating. Again in Psalms He stated: "And it was done, he commanded and it stood fast."

You can learn to command with the Magic Word, JEHOVAH, and all things will be done as you wish. Remember, you must always give thanks for the blessings you receive and give thanks in advance when you pray for the blessings you expect to receive.

Acts 11:14.
The words by which you can be saved are, I AM JEHOVAH. These are the Magic Words of Power.

Luke 4:32.
You must have faith in the Magic Word before it will produce results for you. Jeremiah said, "Cast thy burden upon the Lord, and he shall sustain thee. He shall never suffer the righteous to be moved."

Psalms 30:2.
The healing power of the Magic Word is hereby demonstrated, and you can speak the Magic Word and be healed but you must obey all the laws.

Jeremiah 5:15.
Many people often look far away for a thing which is very close to them. The Magic Word is in your mouth and heart but you must put it into action. You alone must do the work. Praise God's sacred Word and put your trust in it and have no fear of what outside things and conditions can do to you. The Word will give you patience and keep you from temptation.

I John 3:23.
This great command covers all and true love, and by the sacred name and words, I AM JEHOVAH, you can gain eternal life.

John 16:23.
This is a positive statement and puts no limit on the time or place. All you have to do is pray, ask in faith and speak the sacred name and word, JEHOVAH, and your request will be granted.

Deuteronomy 5:11.
Why do people swear, "By God"? They know it is a word of power and stronger than their own. Why not swear, "By Smith" or "By Jones"? To curse or condemn why say, "God damn"? God's Word is a WORD of POWER. The meaning of this is that you must not use the sacred name to harm others and you must not use it for selfish desires, such as, coveting something that belongs to another without giving proper value. You, of course, could not and would not use the name of the Lord in vain if you have love for others, and understand the law that if you harm others you harm yourself more. Wrong thinking about others is taking the sacred name in vain. I repeat, you must obey all the laws to get your reward.

Isaiah 7:14.
The name Immanuel means God With Us, or Jesus on the earth with the people teaching, proving and fulfilling the law. The word Jesus means Saviour and you can repeat the words "Jesus Saves Me" the same as you can repeat the sacred Magic Words "Jehovah Saves Me." Repeating or concentrating on either of the names or words will get results.

The Greek form of the name Joshua, or Jeshua, a contraction of Jehoshua, that is, Help of Jehovah or Saviour. Read Numbers 13:16.

Luke 1:37.
This is another very positive statement with no ifs, ands or buts about it. It shows the great divine power through the sacred word JEHOVAH. You are a child of God and he said, "THE THINGS I DO YE SHALL DO AND GREATER THINGS SHALL YOU DO." He also said, "THE KINGDOM OF HEAVEN IS WITHIN YOU," and, "YOUR BODY IS THE TEMPLE OF THE LIVING GOD, AND GOD IS IN HIS TEMPLE." Being in His temple gives you the power to call on Him to supply your needs by repeating the Magic Word, JEHOVAH, When you are sick in mind or body, you should repeat three times a day, for three days, or for seven days, the following words: *"My body is the temple of the living God. In the temple of God there can be no sickness, only perfect harmony, happiness and love."* Speaking the Word, JEHOVAH, makes it so. Again speak: *"The Kingdom of Heaven is within me. In the Kingdom of Heaven there is no sickness or sorrow, only perfect health, happiness and love."* Repeat these words morning, noon and night, have faith, believe that they are so and that God will make your body perfect and give your mind peace and ease. Never forget to repeat the words, "Peace, be still and know that I am God," and repeat God's statement "I will keep Him in perfect peace whose mind is stayed on Thee because he trusted me."

Psalms 4:4.
Throughout the Bible we find the command to keep quiet, be peaceful and still. Concentrating and repeating the Magic Word when you are in bed, quiet and still, will get greater results.

Psalms 5:3.
Psalms 55:17.
These are your instructions for the time to pray, or to pronounce the Magic Word, JEHOVAH, and it is made plain that you should speak it, and that the Lord will hear and answer your prayer. The Bible plainly states that there is a time for every purpose under the sun.

Psalms 69:13.
There is no question but that all things must be done at the right time to get the best results and the acceptable time for you to pray is, of course, when you need things, but if you follow God's

plan and rule as outlined in the Bible for the hour and place to pray you certainly will get better results, because in this way you will be obeying the law.

Isaiah 30:7.
This further proves you can get the best results by keeping quiet and sitting still. Concentrating in peace and quiet gives you power and good results.

Isaiah 30:15.
You must be quiet, concentrate, meditate and silently repeat the Magic Word JEHOVAH or say, I, JEHOVAH, and repeat, I AM JEHOVAH, AND HE HEARS AND ANSWERS MY CALL.

Lamentations 5:21.
God, through the sacred word JEHOVAH, can renew your mind and body just as well today as he did in days of old.

We continue to find proof throughout the Bible that miracles are possible today just as they were in the past. GOD'S LAW IS ETERNAL, IT ALWAYS WAS and IT ALWAYS WILL BE. IT ALWAYS HAS WORKED AND ALWAYS WILL WORK. You have the power to put that MAGIC WORD, JEHOVAH, into action and get results.

Luke 21:33.
We need no greater proof than this that God's Word is permanent and its power is just as great today as it ever was, and you can be saved and healed by it today just as the people were saved and healed by it when Jesus walked upon this earth.

Chapter III
THE SACRED NAME AND WORD JEHOVAH

And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name JEHOVAH was I not known to them. -- Exodus 6:3.

Behold, God is my salvation; I will trust, and not be afraid: for the Lord JEHOVAH is my strength and my song; he also is become my salvation. -- Isaiah 12:2.

Abraham named that place "The Lord Provides." And even today people say, "On the Lord's mountain he provides." – Genesis 22:14.

He made you go hungry, and then he gave you manna to eat, food that you and your ancestors had never eaten before. He did this to teach you that you must not depend on bread alone to sustain you, but on everything that the Lord says. -- Deuteronomy 8:3.

What a joy it is to find just the right word for the right occasion! -- Proverbs 15:23.

The Sovereign Lord has taught me what to say, so that I can strengthen the weary. Every morning he makes me eager to hear what he is going to teach me. -- Isaiah 50:4.

"Oh no, sir," answered the officer. "I do not deserve to have you come into my house. Just give the order, and my servant will get well. -- Matthew 8:8.

Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls.

But be ye doers of the word, and not hearers only, deceiving your own selves.
-- James 1:21-22.

YOU MUST BE DOERS OR USERS OF THE DIVINE WORD, JEHOVAH!

The angel asked, "Why do you want to know my name? It is a name of wonder."
-- Judges 13:18.

Although men have spent a lifetime searching for the Magic Word of Power and many of them have failed to find it, it is made plain in the Bible just what it is.

It is not in heaven, that thou shouldest say, Who shall go up for us to heaven, and bring it unto us, that we may hear it, and do it?

Neither is it beyond the sea, that thou shouldest say, who shall go over the sea with us, and bring it unto us, that we may hear it, and do it?

You must offer them only in the one place that the Lord will choose in the territory of one of your tribes. Only there are you to offer your sacrifices that are to be burned and do all the other things that I have commanded you. -- Deuteronomy 12-14.

The reason people have not found the secret word is because they have looked far away for it and the Bible says the way to find heaven is to look within. The Bible further states that it is very near, in the mind and heart. You can find it and the way to use it by reading the Bible. It was first revealed to Moses: And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name JE-HO-VAH was I not known to them. -- Exodus 6:3.

There must have been a good reason why the sacred name JE-HO-VAH was not revealed before God himself revealed it to Moses.

The MAGIC WORD is JEHOVAH. For the meaning of the word, we quote from Smith's Bible Dictionary "JEHOVAH" (I am; the eternal living one). The scripture appellation of the supreme being, interpreted as signifying self-derived and permanent existence. The Jews scrupulously avoided every mention of this name of God, substituting in its stead one or other of the words with whose proper vowel-points it may happen to be written. This custom, which had its origin in reverence, was founded upon an erroneous rendering of Leviticus 24:16, from which it was inferred that the mere utterance of the name constituted a capital offense. According to Jewish tradition, it was pronounced but once a year, by the high priest on the day of atonement when he entered the holy of holies; but on this point there is some doubt. When Moses received his commission to be the deliverer of Israel, the Almighty, who appeared in the burning bush, communicated to him the name which he should give as the credentials of his mission: 'And God said unto Moses, I AM THAT I AM, (ehyeh asher ehyeh); and He said, Thus shalt thou say unto the children of Israel I AM hath sent me unto you.' That this passage is intended to indicate the entymology of Jehovah, as understood by the Hebrews, no one has ventured to doubt. While Elohim exhibits God displayed in his power as the creator and governor of the physical universe, the name Jehovah designates his nature as he stands in relation to man, as the only almighty, true, personal, holy being, a spirit and 'the father of spirits,' Numbers 16:22; comp. John 4:24, 'God is a spirit: and they that worship him must worship him in spirit and in truth,' who revealed himself to his people, made a covenant with them, and became their lawgiver, and to whom all honor and worship are due."

There is plenty of evidence in the Bible that the word JEHOVAH means God, the eternal one. Abraham and Moses built temples, named and dedicated them to JEHOVAH. Refer to Exodus 17:15, And Moses built an alter, and called the name of it JEHOVAH-nissi. Judges 5:24. Then Gideon built an alter there unto the LORD, and called it JEHOVAN-SHALOM: unto this day it is yet in Ophrah of the Abiezrites.

This alter was an honor to the name JEHOVAH and the name JEHOVAH-SHALOM means Jehovah is peace or "JEHOVAH the God of Peace." Isaiah 12:2 -- Behold God is my salvation; I will trust, and not be afraid: for the Lord JEHOVAH is my strength and my song; he also is become my salvation." Again, Isaiah 26:4 -- Trust ye the Lord forever: for the Lord JEHOVAH is everlasting strength.

Psalms 83:18 -- That men may know that thou, whose name alone is JEHOVAH, art the Most High over all the earth.

The name JEHOVAH is translated "Lord" over two thousand times in the Bible, which shows the importance of this Magic Word, which means more than the word "JESUS" of the word "GOD."

Refer to Exodus 3:13-15 -- And Moses said unto God, Behold, when I come unto the children of Israel, and shall say unto them, The God of your fathers hath sent me unto you; and they shall say to me, What is his name? what shall I say unto them? -- And God said moreover unto Moses, Thus shalt thou say unto the children of Israel, The Lord God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath sent me unto you: this is my name for ever, and this is my memorial unto all generations. Also refer to Isaiah 42:8 -- I AM the Lord: that IS my name: and my glory will I not give to another, neither my praise to graven images. -- This is further evidence that "I AM" and "JEHOVAH" both mean the same, the divine and eternal.

And I appeared unto Abraham, unto Isaac, and unto Jacob, by the name of God Almighty, but by my name JEVOVAH was I not known to them. -- Exodus 6:3.

That men may know that thou, whose name alone is JEHOVAH, art the most high over all the earth -- Psalms 83:18.

Behold, God is my salvation; I will trust, and not be afraid: for the Lord JEHOVAH is my strength and my song; he also is become my salvation. -- Isaiah 12:2.

And Abraham called the name of that place Jehovah-jireh: as it is said to this day, In the mount of the Lord it shall be seen -- Genesis 22:14.

Chapter IV
WHAT THE BIBLE TEACHES

"I have no greater joy than to hear that my children walk in truth."

The Bible is a book of laws; physical, natural, mental, spiritual and time laws.

The Bible is simple when rightly understood. It teaches the Divine Law, its uses and abuses. Whether a law is divine or natural, it is made plain that if you disobey the law, you must pay the penalty and if you obey or follow the law, your reward is certain.

The Bible does not teach reward after death but promises reward or a reaping now while you are here on this earth. Jesus said, "As ye sow, also shall ye reap." He did not say "after death" but here and now. Too many have preached that we should live a life of sacrifice here on earth and wait until after death to receive the reward. This is not what people want. They want something practical. They want to receive their reward here on earth. If they put forth the right effort, they want to know that they will receive the reward here on earth.

All natural laws teach and prove that we do get our reward on this earth. Job obeyed the law and got twice as much as he had while he was still on earth. There is nothing in the Bible that says these laws will not work today and I shall prove by the Bible that they do.

Sowing and Reaping

Man's laws are not natural laws or divine laws.

When you plant or sow, you cultivate and then you reap. For instance, you plant wheat seeds, give them water and sunshine, and when the seeds come up, you cultivate them; the wheat grows and you reap wheat, not corn. This is a natural law, but it is a divine law because you cannot change it. It has always worked, and it always will work.

The same law governs your acts, thoughts and deeds. What you concentrate or think about you will reap according to the thoughts you send out. If you concentrate on money and work to get it, you will get money.

Be not deceived; God is not mocked: For whatsoever a man soweth that shall he also reap
-- Gal. 6:7.

Nothing in the Bible is plainer than this. It is a natural law of cause and effect, -- that everything brings forth after its own kind. If you think right, act right and do right, your reward is sure. If you break the commandments and the law and do evil, your punishment is sure.

So the earth produced all kinds of plants, and God was pleased with what he saw.
-- Genesis 1:12.

Again we find a definite statement that everything brings forth after its kind. The fruit you reap is exactly the same as the seed you sow. So, too, you must expect to reap from thoughts, acts and deeds exactly as you have sown.

Today I am giving you the choice between a blessing and a curse; a blessing, if you obey the commands of the Lord your God that I am giving you today; but a curse, if you disobey these commands and turn away to worship other gods that you have never worshiped before. -- Deuteronomy 11:26-28.

Again it is made plain that a reward will come to you for every good deed, no matter how small. The divine law never fails to pay off. Yon will find it helpful to read over all the Bible quotations on sowing and reaping.

Power of the Word

In the beginning was the Word, and the Word was with God, and the Word was God.
-- John 1:1.

By the Word of the Lord were the heavens made; and all the host of them by the breath of his mouth. For he spoke, and it was done; He commanded and it stood fast. -- Psalms 33: 6,9.

The Bible teaches that there is power in the Word. God spoke the Word, commanding, "Let there be light" and there was light.

The Bible says that we are saved by the Word -- so when you learn the Word and how to use it, you will have unlimited power.

Chapter V
HOW TO SOLVE YOUR PROBLEMS BY DIVINE LAWS

Visualize and Imagine

And he said, "Now then, these are all one people and they speak one language; this is just the beginning of what they are going to do. Soon they will be able to do anything they want!
-- Genesis 11:6.

The Bible makes it plain that whatever you imagine, you can do. If you cannot make a mental picture of a thing you cannot create it. Everything that is accomplished must go through three processes. When a great artist starts to paint a picture he must first visualize or imagine just what he intends to paint. He has to really see the perfected picture. Then, he gets the material and paints the picture, which is a realization of his vision or imagination.

When an architect gets ready to draw the plans for a building he first has the picture of the building in his mind. Next, he makes the drawings for the building, and the third step is for the workers to erect the building. When this is completed the original vision or imagination becomes real.

If you can visualize or imagine, or think yourself into being sick, you can just as easily vision or imagine yourself into being perfectly well. The greater vision and imagination that anyone has, the greater success they can make of themselves. People are often called dreamers, but if you can imagine and visualize a thing you can make dreams come true. That is why it is so important to meditate and concentrate on whatever problem you wish to solve. If you cannot see yourself happy, healthy and successful, then you cannot become happy, healthy and successful.

Read everything in the Bible under visions and imaginations and you will see the wisdom of making the mental picture of the thing you desire.

Then the Lord God said, "Now these human beings have become like one of us and have knowledge of what is good and what is bad. They must not be allowed to take fruit from the tree that gives life, eat it, and live forever." -- Genesis 3:22.

Now, go! I will help you to speak, and I will tell you what to say. -- Exodus 4:12.

The Lord said to Moses, "Now I am going to cause food to rain down from the sky for all of you. The people must go out every day and gather enough for that day. In this way I can test them to find out if they will follow my instructions.

Moses said, "The Lord has commanded us to save some manna, to be kept for our descendants, so that they can see the food which he gave us to eat in the desert when he brought us out of Egypt -- Exodus 16:4,32.

He must take a bath in a holy place and put on his own clothes. After that, he shall go out and offer the burnt offering to remove his own sins and those of the people. -- Leviticus 16:24.

Do not hand over any of your children to be used in the worship of the god Molech, because that would bring disgrace on the name of God, the Lord. -- Leviticus 18:21.

There are seven things that the Lord hates and cannot tolerate: A proud look; a lying tongue; hands that kill innocent people; a mind that thinks up wicked plans; feet that hurry off to do evil; a witness who tells one lie after another; and someone who stirs up trouble among friends. -- Proverbs 6:16-19.

Wisdom and Power of Spirit

Tell the priests carrying the Covenant Box that when they reach the river, they must wade in and stand near the bank.

-- Joshua 3:8-9.

Anger and Wrath

Fear

Everything I fear and dread comes true. -- Job 3:25.

All around them terror is waiting; it follows them at every step. -- Job 18:11.

We have been through disaster and ruin; we live in danger and fear. -- Lamentations 3:47.

-- Mark 4:40.

Jesus said to her, "My daughter, your faith has made you well. Go in peace, and be healed of your trouble." -- Mark 5:34.

There is no fear in love; perfect love drives out all fear. So then, love has not been made perfect in anyone who is afraid, because fear has to do with punishment.

We love because God first loved us. -- I John 4:18-19

Death Overcome

Fear and Doubt

Most people's problems or troubles arise through fear and doubt. When fear is eliminated most of the other troubles disappear. Fear is the father of jealousy, selfishness, anger, enmity, hatred and wrong thinking. When you have no fear most of these other evil thoughts disappear.

At the time of a problem, or any kind of trouble, your first move should be to overcome fear and doubt. You must supplant fear with faith and hope by the use of the Magic Word, Jehovah. Negative thoughts must be supplanted by good thoughts. It is just as easy to think about good, pleasant things as it is to think about the wrong things. Thinking and concentrating on faith and love, and going to work by vibrating, singing or chanting the Magic Word will prepare you to solve your problems with God's help, and in the way God wants yon to solve them.

Have faith and know that Jehovah is a Divine Magic Word and can make you free.

Solve and dissolve your problem, by the Magic Word, Jehovah. God did not create fear, doubt or any evil thing. He does not bring sickness, sorrow or any trouble on you. Your troubles are the result of your own wrong thinking and doing. You have violated some of the laws, otherwise you would not have any trouble or serious problems.

Money

This is one of the problems with which many people have to contend. The need for money is often the result of spending more than your income. When you need money you should

concentrate, vibrate, sing or chant the Magic Word, Jehovah, and realize that there is an abundant supply of money for everyone, and that you, if you are living in obedience to the Divine Law, are entitled to what you need. When you pray for money, have faith and believe you are going to receive it. Go to work and do something to get it. After you sound the Magic Word and ask for what you want you should then form a mental picture of the money coming into your hands.

Sickness

If you are sick yourself and want to get well you should first visualize yourself as being in perfect health and realize that good health is normal. You must feel that God did not bring illness upon you, but that he is ready and willing, through the Magic Word, to make you well. Do not talk about sickness, talk about being well and feeling well. Start acting that way, believe that you are enjoying perfect health and you will have it.

Helping Others Who Are Sick

When you have a problem of this kind you must pray for those who are sick and visualize them as being in perfect health. Sound the Magic Word, Jehovah, and when you send your message for someone else, speak it orally and put the message into the air where it will reach the source of the divine supply and heal those for whom you are praying. When someone is ill try to get them to sound the Magic Word and ask for perfect health with the faith that their prayer will be answered.

Enemies

When you are worried over enemies or opponents the way to solve this problem is to bless them, pray for some good to come to them, and if you can, do them some favor. Love your enemies, sound the Magic Word and pray that they may reach an understanding and realize it pays to do good to everyone. Enemies disappear quickly when you learn to love them. You will then find that they become your friends.

Family Troubles

This is one of the problems that most everyone has sooner or later, and they are brought on by fear, doubts, and misunderstandings. They can be solved through the Magic Word, Jehovah, if you will pray earnestly for understanding yourself, sing and sound the Magic Word and ask that those of your family in trouble be given proper understanding, then your troubles will disappear. Do what Jesus would do, pray: "Father forgive them for they know not what they do."

Buying and Selling

When you want to sell a house or buy a house you should bless the one who is going to buy from you and pray that he will be happy and well satisfied with it. Sound the Magic Word and ask that only those who will like the house, or whatever you are selling, will come to look, buy and be happy with it. When you wish to buy something bless the seller and pray that he will have what you want and that both of you will be satisfied with the deal. Remember, wrong thoughts attract the wrong kind of people. If you use the Magic Word, Jehovah, and pray, you will attract the right people.

Seeking a New Position

When you are out of employment and want to secure a new position broadcast your message through the Magic Word, Jehovah, and offer good services. Bless the party who is going to employ you and give thanks in advance for the position because if you have the right kind of faith you know you are going to get a good position. Hold the thought that you are going to be happy in the new position and that someone needs your services just as much as you need the position. The Divine Law tells us that there is always a place for those who render good services.

New Home and Changes

This is a problem which often confronts people: Conditions make it necessary to sell or leave an old home and to make radical changes. I have owned many homes; I have had beautiful homes which I have loved and enjoyed, but when it became necessary to make a change and sell a home I did it without any regrets, feeling that the Divine Power would bring me a new home which I would like better and in nearly every instance I acquired a home that was better than the one I had sold. I prayed that the people who bought my old home would be just as happy as I had been living in it. I blessed the home and left it with love, looking forward with love for the new home.

When you find it necessary to make a change vibrate the Magic Word and pray that it is all for the best and that God's will be done, and not yours. There is nothing better than having faith and looking forward with confidence. When you have the proper faith you can work, visualize your problem and solve it through the Magic Word, Jehovah.

Worry

Worry comes through fear, doubt and lack of faith. You never solved a problem by worrying and you never will. Worry takes your energy and strength. Do everything you know to do to overcome worry. Instead of thinking the worst is going to happen think of love, faith and all good things, and sound the Magic Word believing that you can solve your problem by a hopeful attitude with positive thoughts. It is just as easy to think positive thoughts as it is to think negative thoughts which bring worry.

How to Produce Harmony

Harmony in mind and body is all important and you must get in tune with the infinite power. It is the writer's opinion, based upon years of experience, that the Magic Word, Jehovah, will get better results than any other word, however, there are many other words and sounds which will help different people. You can vibrate, chant, sing or hum, OH HO, AH HA, AUM OM, MOM, LOVE, LIVE, ELOHIM, JAH or DO RE MI. Any of these that will put you in tune and produce harmony are good to use. You must get your chord or keynote and this will put your mind and body in harmony. Find the kind of music that you like, get phonograph records and listen to them. The kind of music that will soothe you, and put you to sleep is the best for you. When you become quiet and feel that you can drop off to sleep sound the Magic Word, Jehovah, and you will get good results.

WORK: Many people do not know when they have troubles, or misfortunes, that if they go to work at something the problem is soon solved and the troubles disappear. You can help to solve your problem by putting the Magic Word into action while you work. Often when you work at something which you do not like, or clean up a difficult job, it helps you because it relieves your mind. The mind, like the body, must be kept free and clean in order to be active and function at its best.

PRAY FOR WHAT YOU NEED: Many people do not know how to pray. They pray for things they want and not for just what they need, God knows best and will give you what you need. You may think you want something which God may think not best for you. I know of a man who solved all his financial problems by getting his wife to agree to buy only what they needed and not everything they wanted when his salary check came in every month. The result was that he got out of debt and accumulated considerable property, and had an income sufficient for all his and her needs. He said to me, "My wife and I could have spent all my salary check every month for all the things we wanted but we could get along without these things. If we had spent the entire salary check for the things we desired we would never have been out of debt."

I knew a man in Wall Street who by working hard, studying and applying the right rules made more than a million dollars in the stock market. He thought he wanted two or three million, although he did not need the one million which he acquired. The result was that in trying to get more money which he did not need he lost the one million which he had. Then he had to go to work, starting from scratch, and found that when he bought only what he needed he could get along without the one million. If he had used the natural law and followed the Divine Law and practiced the Magic Word, Jehovah, he would have found peace, happiness and contentment had he not tried to make money too fast.

HAVING YOUR OWN WAY: Many people have wrecked their lives and brought failure and misfortune upon themselves by insisting upon having their own way. This is stubbornness and should be overcome. How do you know that your way is the right way? Follow the Divine Law and do things God's way. I knew of two sisters who inherited a home which cost over three hundred thousand dollars. The house was too large for their needs and they had no use for it, neither did they have the money to maintain a home of this size. It was too large for most any family and no one would buy it for a home. An institution offered them $125,000 for this house. They refused to sell. Later they needed to sell badly and received an offer of $75,000 which they also refused because they had been offered $125,000 and said that they would not sell unless they got $125,000. They had decided to have it their way and to not accept a price they had been offered. Years later they were unable to pay the taxes, the house was sold and they were evicted, thereby losing the house because they wanted a price that suited their way. Had they prayed for Divine guidance a message would have come to them to accept $125,000 for a home which they could not use nor keep up.

I have talked with many men and women who have told me what happened to them when they tried to have things their own way, and in later years they found out their way was the wrong way, but it was too late, after they had suffered disappointment and misfortune. How often we hear people say, after someone has done them an injury, "I'll get even with that person if it takes me all my life." That is having things their way and they suffer for years trying to get even when forgiveness and returning good for evil would have brought them happiness and saved a lot of trouble and anxiety. The Divine Laws are perfect and you will make no mistake in following them. Change your mind and change your ways. Sing and sound the Magic Word, Jehovah,

which will put your mind and body in harmony and bring you peace and happiness.

LOOKING BACKWARD: It has been said that looking backward brings nothing but regrets. If you have had misfortune and disappointment it will do you no good to dwell upon them. Christ, said, "Let the deadpast bury the dead." By this he meant not to drag your mistakes and misfortunes of the past into the future. Face the future with faith and hope, forget the past and you will solve your problem. Remember what happened to Lot's wife. She looked back and turned into a pillar of salt. This means that she lived in the past, therefore, made no progress and did not move forward more than a pillar of salt could move forward under its own power. You can't do anything about the past, but you certainly can take care of the future by making it better than the past through the use of the Magic Word and the Divine Law.

HATRED, ANGER, JEALOUSY, DOUBT AND ENMITY: All these things hinder your progress and can never do you any good. The sooner you eliminate them the sooner you will realize that you have solved your problems and that your problems will be answered. Just read in the Bible what is said about all of these things and how they mar your progress and happiness. It has been said, "Whom the gods wish to destroy they first make mad." An angry man has bad judgment, he will act wrong and act against his own best interests. The Bible says, "Let not your angry passions rise, and not let the sun go down upon your wrath." The reason for this is: Going to bed at night without forgiving someone, whom you think has wronged you, leaves a burden upon your mind which will prevent peaceful sleep and interfere with your progress in every way. After you fully understand the Divine Law you will supplant hatred, anger, jealousy, doubt and enmity with love. This is the fulfilling of the law and will help you to live in harmony. You cannot expect peace and happiness, or accomplish your desires and get what you want, unless you have removed from your mind and heart all of these things which interfere with your progress. There is no use applying the Magic Word, Jehovah, chanting or singing it, until you have a clean mind, a clean heart and a clean body.

LOVE: Look up the concordance in the Bible and read everything on love. You will learn that it is the most important thing in life. If you love your neighbour and your fellowmen you will find happiness. It is, indeed, the greatest thing on earth. God's great love for His people caused Him to sacrifice His only son that they might know and understand the law of love and follow His example. It is the greatest power on earth. Men go to war and lose their lives for the love of their country. A mother will sacrifice everything she has on earth for a prodical, worthless son because she loves him. Why does the Bible say to love those that hate you and to return good for evil? It is because giving love for hatred is obeying the Divine Law and your reward is certain. Did anyone ever get a reward by hating someone? When you can return good for evil you have reached the stage where yon can make the divine Magic Word work, solve all your problems and accomplish all your desires. When you are in perfect harmony through the law of love all good things will flow to you.

FORGIVENESS: The Bible makes it plain that we must forgive others if we expect forgiveness ourselves. Every night before you go to sleep you should ask forgiveness for any wrong you might have done anyone and pray for blessings on those you think have wronged you. If you can do this, love is flowing through your mind and heart and you are on the right road. Many men and women have wrecked their lives became they could not forgive and forget. How much better it is to forgive quickly and bless the other person even if he should be wrong. It brings freedom and happiness to you.

CONFESSION: The Bible makes it strong that you should confess your sins and errors. You will make greater progress if you confess orally. If you have no one to whom you can talk, go into the open, in a quiet place, speak in a quiet voice and confess your mistakes. Get them out of your system. Another good way is to write on paper all the mistakes you have made or anything that is troubling you. Burn the paper and you are free. After this repeat the Magic Word and make your prayers. You will sleep better, have better health and find that your problems soon will be solved.

SHORT CIRCUIT IN MIND AND BODY: How often have you pressed a button to turn on an electric light and found that the light did not come on? If, on examination, you found the circuit was on then you knew there was a short circuit leading to the light bulb. When this short circuit was removed the light came on. This is what happens to your mind when you are thinking wrong thoughts, such as, hatred, anger, jealoousy, doubt and enmity. This produces a short circuit in your mind which affects the body and you will not be well, happy nor successful until you remove the short circuit. This you can do by right thinking and supplanting the other evil thoughts with love and good thoughts. By putting good thoughts into action and doing something good for someone else you put your own mind and body in harmony and the short circuit disappears. By singing, chanting and humming the Magic Word, Jehovah, you can produce harmony in mind and body.

CONFUSION AND CONCENTRATION: The Bible has much to say about confusion. No one can concentrate and meditate and get good results when the mind is confused. You cannot think about two things at the same time, nor can you do two things successfully at the same time. If you are thinking about some misfortune, or some wrong someone has done you, you cannot meditate or concentrate and get yourself in harmony with the perfect Divine Law. The way to overcome confusion is to get quiet and still, and repeat the Magic Word, Jehovah, until there is no confusion, then whatever was disturbing your mind will have disappeared.

MEDITATION AND MENTAL PICTURE: You should always meditate quietly and alone, where there are no distractions. Think about what you want and what you need. Ask for ideas and for guidance.

Try to see a realization or a picture of what you have asked for, and see the fulfillment of what you pray for. Suppose you need money and you have prayed for money, you bless the money that is coming and give thanks for it in advance. Picture the money as being already in your hands and bless it.

When you spend money or give it away, give your blessings with it. If you do not give willingly, and with a blessing that the money will be of benefit to the receiver, it is better that you do not give it. When you are going to give something to someone do not say, "I will do this, but I cannot afford it." When you give, give freely and willingly. Than say, "I know that the Divine supply is unlimited and what I need will come to me in due time."

THANKSGIVING AND GIVING: Following the example set by the Pilgrim Fathers we have a day set aside each year for giving thanks to Almighty God for his blessings. This is wonderful and as it should be. We will all be better off and happier if we give thanks every day for what we have received and for what we are about to receive. The more often we give thanks and send out blessings the more good things will return to us. When you are despondent and think you have a lot of troubles and misfortunes, sit down and write out all the blessings you have received 3 Tm(ple)Tj0

where you are. There is no limit to Divine Power, and no time or place that it will not work for you, so long as you are in harmony and are obeying the Divine Law. You are a child of God; you are born in the image and likeness of your maker and are entitled to everything you need through obedience to the Divine Law. All you need to learn is how to work and put the Divine Magic Word, Jehovah, into action, and your prayers will be answered.

Chapter VI
WORLD PROBLEMS

For thousands of years nations have gone to war and in many instances war has been started just because some ruler was greedy for power and brought on a war in the hopes of increasing his power. This ruler never thought of the loss of life or the property of others. It is a well known fact that after political leaders, kings and dictators get their countries in bad shape financially by making mistakes and wasting the people's money, they start a war and then try to blame all the misfortunes of the people on the war. The facts are, they made the mistakes before the war and they had started the war to cover up their mistakes. In most instances wars are not started to protect the rights of the people; they are started by one nation wanting to get something for nothing and trying to gain control of the business and commercial interests of the world. The aim of that nation being to gain world domination. England started wars to obtain more territory and at one time she controlled practically all the trade of the world. Every war Germany has fought has been to further her trade interests and to seek domination. Hitler didn't start a war with Poland because Poland had done something he didn't like. He started the war to acquire Poland and other countries and to dominate the commercial business of the world. If this had not been the case, when he succeeded in defeating Poland, he would have quit. In fact, he said he was going to quit after he took a certain amount of land from Poland. If Hitler had succeeded in defeating Russia he would have then crossed the channel to defeat England and, if he had succeeded there, he would then have tackled the United States, and, if successful, he would have attacked his ally Japan because, his whole objective was to dominate the business of the world. Rulers always find something to fight about when they decide they need the business of another country. Wars never solved a problem. If they did, wars would not continue to be fought every twenty or thirty years. Nothing has ever been gained by war. The winner loses because the cost of material, men and money is greater than any possible benefits. If the money that has been spent on wars during the past two hundred years had been used for constructive purposes no country would be paying taxes to amount to anything, every desert would blossom like a rose and the trillions of dollars that have been used for wars could be used for research to overcome all diseases. People would be happier, healthier and contented in a land of plenty, and poverty would be unknown.

If every nation on the face of the earth worked as hard and prepared to maintain peace, as it does to prepare for war, there would be no war. If the rulers of all the countries of the world believed in God's Divine Law and were willing to follow the Golden Rule, all problems could be settled without resorting to war.

As soon as World War II ended, in 1945, the United States started spending billions of dollars getting ready for another war. If we went into this last war to bring an end to wars, and to make the world safe for democracy, why do we have to start to get ready for another war? This is proof that wars do not settle any problems.

The United States has never gone to war with the objective of gaining territory, and if we do not want territory or anything from other countries, why enter war? Why should we develop the atomic bomb and the hydrogen bomb to fight Russia? Our country is making it plain that we are preparing to fight Russia. Can anyone blame Russia for getting ready to fight a country that is preparing to fight her? Politicians and political leaders, in order to hold their own jobs which are the most important things to them, scare the taxpayers into letting them be taxed for money to

start another war. They rule the people through fear. If they ruled through love and understanding there would be no war. This is the only way the United States and the rest of the world can solve the problem, and bring about world peace. We have got to stop talking of war and preparing for war. We must work for peace, pray for peace and follow the Divine command: Love thy neighbour as thyself. Love those who hate us and try to help instead of fight them. With the advance in science and modern weapons of war the world cannot stand a third World War. Civilization will be wiped out. The smartest men we have know this to be a fact. The people must be aroused and made to realize that they must not support and follow political leaders whose aim is to lead our whole country into war in order to hold their own jobs. The taxpayer should be willing to be taxed for money to be used to bring about universal peace, but not for taxes to start another war which, if we could win, would not solve the problem. If the people were allowed to vote on war there would be no war. If women were allowed to vote to decide whether or not there would be another war, they would not vote to send their sons to be slaughtered. The Divine Law of love must be followed sooner or later. The United States should take the lead in starting the move for universal peace, and let the world know it does not want to fight and that war can never permanently settle any problem. If we do this, then we can look forward to a better world and universal peace.

BROADCAST YOUR PRAYERS

Radio and Wireless Forecast in the Bible

Curse not the king, no, *not in thy thought:*
and curse not the rich in thy bedchamber: for
a bird of the air shall carry the ,voice, and that ,
which hath wings shall tell the matter. -- Ecclesiastes 10:20.

The bird of the air referred to in this verse is the aeroplane, equipped with radio, flying through the air without wires or any connection except the sound waves and, equipped to send radio messages, can direct its message anywhere, to other planes flying in the air, to radio stations or to ships at sea. Does this not prove what Jesus said, "That greater things than I do, ye shall do." This was one of the greatest inventions of the world -- wireless and radio -- and it has proved to be of more benefit to mankind than any other invention.

HOW DOES THE RADIO WORK WITHOUT WIRES AND CARRY MESSAGES IN EVERY DIRECTION?

Radio works as the result of sound waves which once set in motion continue to move and can be picked up by a radio receiving set tuned into the same wave length. You cannot see these sound waves, but you know they work. Man no longer needs wires to transmit messages. You can tune in on different stations of different wave lengths. You can tune off, or tune out stations that you do not want. Before wireless and radio were invented sound waves had been discovered and many men knew something about how they traveled, but they had not learned how to record and receive sound waves until they discovered radio. More proof of what the Bible says, "That whatever a man imagines, he can do." The man who invented wireless and radio imagined he could do it, and he did it. This is the greatest proof of the unseen forces being the most powerful. You cannot see the air waves or sound waves, but you can hear them and you know they work. You cannot see the Divine force that is in the air, but it is there and all-powerful, and will work miracles for you if you will have faith and put it into action.

PUT YOUR MESSAGE IN THE AIR

If you speak into the air, and speak the Magic Word JEHOVAH, you are broadcasting your prayers and desires when you say, "I am love, I am Jehovah," or make your demands to Jehovah, speaking the word through the air. You will get greater results when you sound the Magic Word. It will start the wave of happiness and prosperity and good health moving toward you. And, what you send out when you speak the word into the air will return to you. Remember fear and doubt are the only things which can cause a short circuit in your mind and body, and prevent all good things from flowing to you. You must supplant fear with faith, and hope is held out with love and the Magic Word, and Divine power of the Magic Word Jehovah, that you will receive what you ask for and find happiness in Heaven and here on earth.

The Bible is simple and plain, yet to people who do not understand it in the right way it is complicated and mysterious. It is simple and easy if you read it correctly and accept it for what it means.

FROM WHERE DOES DIVINE POWER COME?

It is not separate nor apart from you, but it is in you and a part of you. The Divine power is what most people call God. It is everywhere, just like the air is everywhere. You cannot live without air, and you cannot live without the Divine power which created life. Then you can say, "God is in the air." That is right. Air is the most important thing, for when God breathed it into Adam, he became a living being. You breathe the power of the Magic Word, "Jehovah," when you sound the word, and breathing in air, taking deep breaths, gives you Divine power. Then does this not prove why the Bible says you cannot see God, and that no one has ever seen Him? You cannot see the air, but you can feel it, and you know it has great power for construction or destruction, depending upon how you use it. The eye is deceptive, therefore, when we reason from the objective of what we see, we are often wrong. The magician proves that the hand is quicker than the eye, and we believe what the eye sees, but it is often wrong. You can prove this to yourself. Look down a railroad track until you see the two rails come together. Your eye perceives that this is true and that the railroad rails do come together, but it is an optical illusion. They do not come together.

Follow your still small voice, or the overseeing eye, the inner eye, which is in contact with the Divine power. It is always right. A woman's intuition is always right and she can depend upon it, but when she reasons from the objective she is wrong. We should all listen to the message from the Divine power and follow it.

WHY DO YOU WANT TO GO TO HAVEN?

The reason people want to go to Heaven is to find peace, quiet and happiness which they have not found on this earth due to their own fault and failure to understand the Divine power in the sacred name and Magic Word. Let me make it plain to you. If you cannot find happiness and contentment on this earth, you will not find it in the world to come as the Bible teaches that you reap just what you sow and the heaven you go to will be according to your deeds done on this earth.

Others cannot show you the way to heaven on earth, nor can they find it for you. You have to do that for yourself. I may be able to show you the right road and the way to find happiness, but you must have the faith, and do the work yourself. The trouble with most people is, they expect others to do the work for them. The Divine word, the Magic Word, Jehovah, never promised that. You must learn the truth, and practice its teachings. Work with the Word. Sound and speak the Magic Word, Jehovah, which is the way to call the Divine power from the air and get the answers to your prayers. That is the reason Jesus said: "Ask and you shall receive, knock and it shall be opened unto you." The Bible tells you the plain truth and you must accept it on faith, believe it and then prove to yourself by obedience to the law and to the Magic Word, Jehovah.

Chapter IX
FASTING

Then they took the bones and buried them under the tamarisk tree in town, and fasted for seven days. -- I Samuel 31:13.

They grieved and mourned and fasted until evening for Saul and Jonathan and for Israel, the people of the Lord, because so many had been killed in battle. -- II Samuel 1:12.

David prayed to God that the child would get well. He refused to eat anything, and every night he went into his room and spent the night lying on the floor. -- II Samuel 12:16.

The letters said: "Proclaim a day of fasting, call the people together, and give Naboth the place of honor:

They proclaimed a day of fasting, called the people together, and gave Naboth the place of honor.

On the twenty-fourth day of the same month the people of Israel gathered to fast in order to show sorrow for their sins. They had already separated themselves from all foreigners. Chapter X
HEALING

Your Most Valuable Possession

Most people, if asked what is their most valuable possession, would answer, money. That is wrong. Your most valuable possession is TIME. You exchange time for money or something that you need. Your next valuable possession is good health. Therefore, you should spend some of your time to keep in good health.

Solomon was credited with being the wisest man who ever lived. He placed knowledge and understanding above all else. If you use your time in getting knowledge you are putting it to the best advantage. Money always comes through knowledge. You cannot put knowledge to work without good health. Many people have deformities, but they overcome these and are able to make a living because they have learned how to do something despite their infirmities. If you apply the Magic Word, Jehovah, to all of your problems you will have good health, acquire knowledge and accumulate money.

We often learn through adversity. People seldom learn when they are prosperous. Nature often teaches a lesson in the value of good health by putting you flat on your back in the bed, and it is after suffering an illness that you learn to take care of your health. Misfortunes and adversities often prove a blessing in disguise. We must learn by past mistakes and not repeat them in the future. Use the Magic Word and pray for the power to overcome mistakes, and you will succeed.

The Importance of Correct Deep Breathing

Since air is the most important element that keeps us alive, correct deep breathing is essential to good health. You can take breathing exercises anywhere and at any time, but you will get the best results by doing breathing exercises in bed after you are relaxed and quiet.

Twelve Breaths

Every part of your body can be stimulated and helped through correct deep breathing. The Hindus used three breaths and seven breaths, or breathing three times, resting then repeating three times, making nine breaths over three consecutive periods.

Twelve breaths are the most valuable because there are twelve organs of the body each of which need stimulation and building up through proper breathing and upon which you should concentrate while taking these breaths, and they are:

1. The *head* in which are your eyes, ears and nose. Concentrate on these organs while inhaling and exhaling your first breath for stimulation of the head and brain which is the most important part of the body in acquiring knowledge, good health and all other things.
2. The *throat and other organs of respiration*. This breath should be to stimulate them.
3. The *lungs.* This breath is the most important as it was used by the Hindus to stimulate the lungs, the shoulders and the arms.

4. The *stomach.* The fourth breath is to stimulate the stomach and aid it in digesting the food properly.
5. The *heart.* When you practice this breath concentrate on strengthening the heart and resting it, also concentrate on very deep breathing to affect your whole circulatory system as it is through the proper functioning of the heart that good circulation and distribution of the blood depends.
6. The *bowels.* Concentrate upon keeping your bowels strong, making them active in order to eliminate poisons from your body.
7. *The back* and loins. Beginning with the 6th breath think about the solar plexus. When the solar plexus is aroused and functions properly it feeds the nerves leading to all other parts of the body as it is a large group of nerves serving as your receiving station for the body. This should operate smoothly because if there be a short circuit here it impedes tuning in on the Divine Power to heal your mind and body, or to ask for all your needs.
8. The *genital* organs. Breath to keep these organs strong for recreation or building up of the body. The sex forces are not to be wasted in excesses but are to be retained to build a strong healthy body.
9. The *hips* and thighs. The 9th breath should be concentrated on these.
10. The *knees.* By this time you should be breathing very deeply and try to imagine you are drawing your breath to the knees. Strong knees enable one to walk—the most popular form of exercise.
11. The *calves of the legs,* and the leg extending between the knees and ankles, must be well preserved to prevent hardening of the arteries.
12. The *feet.* The nerve centers terminate in the soles of the feet where the blood reaches the greatest extreme and begins its flow back to the heart. Few people realize how important it is to exercise the feet and bathe them frequently. If you will read everything in the Bible under feet you will find out how vital it is to take proper care of them. Every pore of your skin is used for breathing purposes and the soles of the feet have a maximum of pores through which your skin breathes. For this reason you should take off your shoes as often as possible and let your feet get plenty of fresh air, but it is most important to keep them clean.

Sun Baths for Health

The Bible tells us that God created the sun to give light by day, and the moon to give light by night. The ancients worshipped the sun and built pyramids and monuments to the sun, and the moon. They believed the sun to be God and the giver of life.

The sun gives life to plants, animals and human beings. Nothing can live without it. When heat leaves the body, the body is dead and no longer active. Compare this to the electric street car which moves as long as the electric current is on but when the current is cut off the street car stops, and does not move until the current is again turned on.

Vegetation needs three things to produce growth and they are:
1. Sun
2. Water
3. Earth

The sun or heat is the most important because even though you do plant seeds and water them they will not germinate without heat which is supplied by the sun.

By taking nude sun baths in the open air your skin is stimulated as it absorbs the life giving elements from the sun to build up a strong body. Electric heat and various electrically operated lamps can help your body and your skin, but these artificial means cannot compare with the health-giving rays of the sun on the human body. Sun baths on the seashore where you breathe the salt air are very beneficial. Nude sun baths always help because all of the pores of the skin are exposed allowing all the pores to breathe. Deep breathing exercises taken in the open air and in the sunshine will give you greater benefit.

DO NOT THINK EVIL —

CHANGE EVIL TO LIVE — LOVE

Chapter XI
PRAY AND PRAYER

Your prayers are answered through speaking, chanting or humming and vibrating the Magic Word, Jehovah. You get an answer to your prayers through meditation and concentration, which should be done in a quiet, peaceful place. Your prayers are answered by positive thoughts and words, and not by negative thoughts and acts.

When you want good health, talk about good health and think about good health. Remember your own thoughts and words return to you. You do not want to be sick; why talk about sickness?

I have known people who constantly talk about their illnesses and troubles, and in so doing they are keeping their mind on them. The way to get good health is to be positive; think and talk of good health; have only good thoughts and speak good words of everyone. When you pray and use the Magic Word you certainly would not pray for illness, you would pray for good health. Why not, when you do feel a little ill, pray for what you want, which is good health. Follow Coue's rule: say, "Every day and in every way I am getting better and better." Look in the mirror every day and say I am looking better, feeling better and looking better. Keep this up and you will soon see the results. When you pray and sound the Magic Word, Jehovah, ask for what you want and need. Do not think or talk about what you don't want. The Bible says: As a man thinketh in his heart so is he. It has also been well said that what a man loves he will become, God if he loves God, and dust if he loves dust.

If you do not want others to criticize and find fault with you, do not criticize others and find fault with them. Your own thoughts and words will return to you.

If you want love you must give love, think of love and talk of love. You cannot get love through hating and by thinking of hating people. Think positive and not negative thoughts.

When you want money concentrate on money. Do not talk about poverty or think about poverty. Never say, I am poor. This is inviting misfortune on yourself. Make a positive statement by saying, I am rich in God's love and through the power of the Divine Magic Word I shall be rich in money. The Divine Power is unlimited, and money and everything I need will flow to me.

Holding a Grudge

This is one of the worst things anyone can do. It poisons the mind and body, creates a short circuit and your prayers cannot be answered as long as you hold a grudge. That is why the Bible tells you to return good for evil. The idea of trying to get even with someone because they have done you a seeming injury is the worst thing you can do. The only way you can get even and get a return for yourself is to do some good for someone. Then your reward is sure. The Bible says to transform your body through the renewing of your mind. Your mind is renewed when you cleanse it of all evil thoughts and give and forgive. Your prayers will then be answered.

When you fall asleep at night repeat the Magic Word, Jehovah, and say: The Divine Word is doing its work while I sleep; my mind and body is being made perfect. Plenty of sleep and rest is essential to good health, happiness and prosperity.

While you sleep the Divine Power is opening your mind to unlimited supplies of everything you need and if you concentrate it will come to you and your prayer will be answered.

Just before you fall asleep say: The Power of the Magic Word, Jehovah, will show me what to do and how to get everything I need. Then repeat: The Magic Word, Jehovah, saves and protects me now. I am healed by the Magic Word, Jehovah.

The Magic Word, Jehovah, Works Wonders

After you have put the Magic Word to the test and proved it as I have, and as thousands of others have, you will know that it does work wonders.

When you sound the Magic Word, Jehovah, into the air and ask for what you need the sound waves carry your message throughout the world. The unseen powerful forces which you are in tune with carry your message and it is received by other minds which are in tune with yours. This opens the way for you through faith to get all you need and to get an answer to your prayers. You must pray when you have any difficult problem that you will receive a message on how to work, and what to do to get an answer to your prayers.

You should repeat: God created everything through the spoken word Jehovah, I can do the same. The Magic Word, Jehovah, is just as powerful today as it was when God used it in creating everything and it is just as powerful as it was when Jesus used it to heal the sick. The Magic Word, Jehovah, is God and the expression of His power. That power never becomes weak because God is eternal and everlasting. If the word had the power to work one time it has it now because God has made it plain that it is everlasting and that it does not change. Your prayers will be answered when you live in obedience to the Divine Law.

Let your hope keep you joyful, be patient in your troubles, and pray at all times.
-- Romans 12:12.

Do not deny yourselves to each other, unless you first agree to do so for a while in order to spend your time in prayer; but then resume normal marital relations. In this way you will be kept from giving in to Satan's temptation because of your lack of self-control.
-- I Corinthians 7:5.

So a man who prays or proclaims God's message in public worship with his head covered disgraces Christ. -- I Corinthians 11:4.

As you help us by means of your prayers for us. So it will be that the many prayers for us will be answered, and God will bless us; and many will raise their voices to him in thanksgiving for us.
-- II Corinthians 1:11.

Here we are, then, speaking for Christ, as though God himself were making his appeal through us. We plead on Christ's behalf: let God change you from enemies into his friends!
-- II Corinthians 5:20.

Do all this in prayer, asking for God's help. Pray on every occasion, as the Spirit leads. For this reason keep alert and never give up; pray always for all God's people. -- Ephesians 6:18.

For this reason we have always prayed for you, ever since we heard about you. We ask God to fill you with the knowledge of his will, with all the wisdom and understanding that his Spirit gives. -- Colossians 1:9.

Be persistent in prayer, and keep alert as you pray, giving thanks to God. -- Colossians 4:2.

Day and night we ask him with all our heart to let us see you personally and supply what is needed in your faith? -- I Thessalonians 3:10.

PRAY AT ALL TIMES. -- I Thessalonians 5:17.

Pray also for us, friends. -- I Thessalonians 5:25.

Finally, our friends, pray for us that the Lord's message may continue to spread rapidly and be received with honor, just as it was among you: -- II Thessalonians 3:1.

First of all, then, I urge that petitions, prayers, requests, and thanksgivings be offered to God for all people; -- I Timothy 2:1.

In every church service I want the men to pray, men who are dedicated to God and can lift up their hands in prayer without anger or argument. -- I Timothy 2:8.

Because the word of God and the prayer make it acceptable to God. -- I Timothy 4:5.

I thank my God always, making mention of you in my prayers. -- Philemon 1-4.

Keep on praying for us. We are sure we have a clear conscience, because we want to do the right thing at all times. -- Hebrews 13:18.

Are any among you in trouble? They should pray. Are any among you happy? They should sing praises.

Are any among you sick? They should send for the church elders, who will pray for them and rub olive oil on them in the name of the Lord:

THIS PRAYER MADE IN FAITH WILL HEAL THE SICK; THE LORD WILL RESTORE THEM TO HEALTH, AND THE SINS THEY HAVE COMMITTED WILL BE FORGIVEN.

SO THEN, CONFESS YOUR SINS TO ONE ANOTHER AND PRAY FOR ONE ANOTHER, SO THAT YOU WILL BE HEALED. THE PRAYER OF A GOOD PERSON HAS A POWERFUL EFFECT.

Elijah was the same kind of person as we are. He prayed earnestly that there would be no rain, and no rain fell on the land for three and a half years.

Once again he prayed, and the sky poured out its rain and the earth produced its crops.
-- James 5:13-18.

In the same way you husbands must live with your wives with the proper understanding that they are more delicate than you. Treat them with respect, because they also will receive, together with you, God's gift of life. Do this so that nothing will interfere with your prayers.

For the Lord watches over the righteous and listens to their prayers; but he opposes those who do evil. -- I Peter 3:7,12.

The end of all things is near. You must be self-controlled and alert, to be able to pray.
-- I Peter 4:7.

But you, my friends, keep on building yourselves up on your most sacred faith. Pray in the power of the Holy Spirit. -- Jude 1:20.

As he did so, the four living creatures and the twenty-four elders fell down before the Lamb. Each had a harp and gold bowls filled with incense, which are the prayers of God's people.
-- Revelation 5:8.

Another angel, who had a gold incense container, came and stood at the altar. He was given a lot of incense to add to the prayers of all God's people and to offer it on the gold altar that stands before the throne. -- Revelation 8:3.

Chapter XII
HOW TO USE THE MAGIC WORD, JEHOVAH

Many people do not realize the power and the value in the spoken word, and that by vibrating the sound of their voice into the air it will return, bring an answer and they will receive what they ask for. The Bible is full of evidence that Jesus did heal through the spoken word and that God created everything through the word. There is also evidence that the word was lost and was found. You may have lost it, or may never have found it, but you can learn how to use it and realize health, happiness and prosperity, providing that you use the word only for good, and do not use it in any way to injure others. The Magic Word, Jehovah, must be used for blessing and not for cursing.

THE LOST WORD: You spoke to me, and I listened to every word. I belong to you, Lord God Almighty, and so your words filled my heart with joy and happiness. -- Jeremiah 15:16.

Things Created by the Word: The Lord created the heavens by his command, the sun, moon, and stars by his spoken word. -- Psalms 33.6

When he spoke, the world was created; at his command everything appeared. -- Psalms 33:9.

It is by faith that we understand that the universe was created by God's word, so that what can be seen was made out of what cannot be seen.

It was faith that kept Enoch from dying. Instead, he was taken up to God, and nobody could find him, because God had taken him up. The scripture says that before Enoch was taken up, he had pleased God. -- Hebrews 11:3,5.

For there is nothing that God cannot do. -- Luke 1:37.

For it was by hope that we were saved; but if we see what we hope for, then it is not really hope. For who of us hopes for something we see?

But if we hope for what we do not see, we wait for it with patience.

In the same way the Spirit also comes to help us, weak as we are. For we do not know how we ought to pray; the Spirit himself pleads with God for us in groans that words cannot express.

In view of all this, what can we say? If God is for us, who can be against us?
-- Romans 8:24,25,26,31.

Why won't God give me what I ask? Why won't he answer my prayer?

What strength do I have to keep on living? Why go on living when I have no hope?
Am I made of stone? Is my body bronze?

What strength do I have to keep on living? Why go on living when I have no hope?
-- Job 6:8,11,12,13.

What has happened before will happen again. What has been done before will be done again. There is nothing new in the whole world

Look," they say, "here is something new!" But no, it has all happened before, long before we were born. -- Ecclesiastes 1:9,10.

To everything there is a season, and a time to every purpose under the heaven:

A time to be born, and a time to die: a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace. -- Ecclesiastes 3:1-8.

We receive from him whatever we ask, because we obey his commands and do what pleases him.

What he commands is that we believe in his Son Jesus Christ and love one another, just as Christ commanded us.

Those who obey God's commands live in union with God and God lives in union with them. And because of the Spirit that God has given us we know that God lives in union with us.
-- I John 3:22-24.

From the above you have the proof from God's Word, the Bible, that there is power in the spoken word. Nothing changes and what has been will be, what has been done can be done. Jesus said, "Greater things than these shall ye do." If God created by the spoken word you can create through the use of the spoken word, and you can reach the universal supply through the Magic Word, Jehovah, and receive everything you need to supply your wants and demands. There is a time and place for everything. This is a law laid down in the Bible. There are many references of going to the mountains to pray, of seeking a quiet, secret, peaceful place in which to pray. You can do no better than to follow the example in the Bible.

The Bible tells us that God is a spirit and that you meet God in the air. This is the reason you must use the spoken word and broadcast your prayer, or message, by putting it into the air. Man has within him the key to the process by which he may know all there is to learn and receive all that he needs from the universal, divine supply. You tune in to this source and supply through the

spoken word by putting your message in the air and the divine, universal mind which is in tune with yours will receive it. Other men and women throughout the world, who are in tune, will receive your message and help you. You do not need any wires or any telephones to put your message or spoken word on the air so that it will reach throughout the world. You know that no wires are used with the radio, yet you know that all radios tuned to the same wave length will receive the same message. This is one of the good reasons why you must not speak orally the wrong words, or think the wrong thoughts, because they will be received by the minds in tune with yours and will be returned to you. This is the law: that you reap just what you sow. You receive according to what you give or send out. It pays you to always start your prayers or the sounding of the Magic Word, Jehovah, with blessings and love to others. That is what you want to return to you. The Bible tells us that it is not what goeth into a man's mouth that defiles him but what goeth out of his mouth that defileth him. Therefore, you must be guarded in your speech about others; do not criticize, condemn or find fault with others because the Bible says: as you measure to your neighbour, he will measure back to you. The Good Book also says: Judge not lest ye be judged. What right have you to sit in judgment of your neighbour or your fellowman. His acts are between him and his God. Vengeance is mine saith the Lord, I will repay all. When you know that you will receive according to what you send out you will then understand why you cannot afford to hate, or think evil thoughts, because they will return to you. For your own good and for your own reward you must dwell on love, and do kind deeds instead of injury to others. Remember you cannot beat, evade, or cheat the Divine Law, and you will reap just what you sow. Now is the time to start sowing right and using the Magic Word, Jehovah, to bring about good things for yourself and others.

The Word Jehovah

This is a word of three syllables and should be used for chanting in three syllables. The number three is referred to more times in the Bible than any other number except the sacred number seven. The word Jehovah contains seven letters and it is the great sacred Word. By chanting, singing and vibrating the word Jehovah you will get better results than from using any other word.

If you take seven pennies, or seven circles and place one circle in the center and six circles around it you can then draw another perfect circle around the rim of the six circles, making the sacred seven. With the word Jehovah you place O in the center and the balance of the letters around it, making the sacred circle. This is the sacred, Magic Word of Power. In the past, people have lost the way to use it. The Word has never been lost. It always existed and it always will. It is symbolic of God and the Divine Power.

It is well known that deep breathing, as practiced by the Hindus, is beneficial to the health and that they perform seeming miracles through the power of the spoken word and through deep breathing. Therefore, the proper vibration of the Magic Word, Jehovah, will bring about unbelieved results for you if you continue to use it at the right time, place and in the right way.

You should always repeat the word Jehovah three times a day for at least seven days, and you will get better results if you repeat it three times seven, or twenty-one days.

The Time to Repeat the Magic Word, Jehovah

Based on the laws laid down in the Bible the best time to pray is morning, noon and night and this is the best time to use the Magic Word, Jehovah. However, you may use it any time or place. In cases of emergency you call on God at any time for help and he gives you the blessings if you are living in obedience to the law. You should vibrate, chant or sing the Magic Word in three separate syllables.

First, vibrate JE (hold it as long as you can) so the vibrations reach your stomach and bowels and arouse the solar plexus and start it into action. The solar plexus is your superior brain. It gets you in tune with all the unseen forces and the supreme Divine Power. The solar plexus works while you sleep and heals your body and mind. Second, vibrate HO (sing or chant it) and hold the sound vibration as long as you can until you feel it in your stomach and bowels. The word HO and OH create powerful sounds and arouse the solar plexus. Therefore, this should be used and repeated often. Third, vibrate VAH (sing or chant) as long as possible until you feel the vibration in the pit of the stomach and into the bowels. After you have completed singing or chanting the Magic Word, JEHOVAH, it is now time to ask for what you want or need. Send your message into the air and then give thanks to God, the Divine Power, that you will receive what you have asked for. This is proving your faith in the Divine Power and the Magic Word.

You should also repeat and vibrate the following: I AM GOD, LOVE, which contains ten letters and ten is one of the Perfect numbers. The O in God, the O in Love and the O in Jehovah means God, because the circle is all and contains all. It has no beginning and no ending, it is everlasting and represents the Divine Being. O, or the circle, includes the world and everything in it because it vibrates in a circle and takes in everything.

The Jews' name for God is YOD HE VAU HE, a word of four syllables containing ten letters or one of the perfect numbers. This word can be used or vibrated the same as Jehovah. In ancient times the people understood how to use things not only on three plains but into the fourth dimension, which is one of the reasons the Jews used the name containing four syllables instead of three.

The word GOD contains three letters and I AM contains three letters. The word AUM also contains three letters and this is the word the Indians or Hindus use most to repeat, but the I AM is the one that the Almighty puts the great emphasis on: "Then tell them that I AM hath sent you." When you repeat I AM, sing or chant it, you attract or arouse the Divine Power and it benefits you. When you repeat I AM JEHOVAH you are asserting your right as a child of God and are entitled to all the benefits, provided you obey all the Divine Laws. You cannot expect to receive all the good unless you act, work, give and express all of the good. Remember, you will reap just exactly what you sow!

Repeating

By repeating day after day the Magic Word, Jehovah, singing, chanting or vibrating it, you will put your mind and body in tune with the Divine Power and will increase your hope and faith, and what you pray for will come to pass. Do not think that you can pray for one day, or one time, and expect to get results. You must obey the rule or law of the Bible: "Pray without ceasing." Repeat often: "The Divine Power is working through my mind and body day and night to perfect my mind, heal my body and bring an answer to my prayers." Work and have faith! When you have

finished a prayer always repeat the word JEHOVAH to close your prayer.

The best time to offer your evening prayer is just before going to sleep. At this time you are resorting to Peace and quiet and it is more beneficial toward getting the best results. By thinking of others and praying for them just before going to sleep, and sending out blessings to them, will help to bring blessings and benefits to you.

Mind and Body

Do not conform yourselves to the standards of this world, but let God transform you inwardly by a complete change of your mind. Then you will be able to know the will of God—what is good and is pleasing to him and is perfect. -- Romans 12:2.

The mind has a great effect upon the body. Doctors have found that many people who think they have a disease have nothing wrong with their bodies but have something wrong with their minds. It is usually all imagination. Psychiatrists have found that by getting people to confess or go over all their past history they can locate the trouble, which is really a short circuit in the mind. You renew your mind and cleanse it when you forgive others and ask forgiveness yourself.

In this way you remove all the burdens and obstacles through the action of the mind, which affects your body. When your mind is renewed and cleansed of all evil thoughts, or wrong imaginations, the body begins to heal and is transformed because the mind has been perfected. It is also possible that the body can be weakened by disease and this affects the mind. In most cases the main trouble is in the mind and when the mind functions properly, through the use of the Divine Power or Magic Word, Jehovah, the body is healed. When people are sick they get well because they believe they will. No man ever dies until he gives his consent to do so. As long as he has faith and holds on and believes in the power of the Divine Word he can prolong his life. Good health is a normal condition. It comes about by obeying all the Divine Laws and natural laws. There are three kinds of laws or three applications of the one law. You must apply the spiritual law to spiritual things; the natural law or physical law to the body and to health; the law of finance to financial things. Yet the law is the same whether it be the spiritual, physical or financial - you reap just what you sow.

You might obey the spiritual law and at the same time disobey the law of health. In this way your mind might be at ease, but your body would become diseased. In the same way you might be obeying the spiritual and physical laws, having peace of mind and good health, but if you disobeyed the law of finance you would have losses. Strict obedience to all laws is what brings the reward.

Music and Sound

The Bible is full of proof of the power of sounds and of the spoken word. The Children of Israel were told to march around the walls of Jericho seven times in seven days and to sound the ram's horn. They obeyed this law or command and when the ram's horn was blown on the seventh day the walls fell down. This is the result of the natural law of sound, which can organize or build up or it can disintegrate and tear down. A great violinist once said that if he could get the key to the Brooklyn bridge he could tear it down through the sound of his violin. This is true. Glass can be broken to pieces by sound vibrations, the human body can be disorganized through unpleasant sounds. The body can be built up and healed through harmonious music or sounds. Columbia

University is teaching how to heal disease through music or sound. Anyone who has ever heard the scream of a panther knows that the sound will send cold chills down the spine and cause the hair to stand on end. The cause of this is that it disturbs the nerve center. The sound of the screech owl is so disturbing that it is difficult to sleep within hearing distance.

Everyone's body contains a harmonious keynote and when he finds what music soothes him he should listen, chant or sing it as often as possible. This will put the body in harmony and give peace and contentment to the mind.

During the last war the Germans knew how to make sounds from the aeroplane to create fear in her enemy soldiers and almost paralyze their nerves so that they could not fight.

It has been said that music will tame the most savage beast. We know that the Hindus, in India, through chanting can tame the most dreaded of snakes, the Cobra, and when he is in perfect harmony through the sound of music, he will not strike. Knowing the power of sound and the harmony of music you can understand what the result must be on your body and mind when you chant, sing or vibrate the Magic Word, Jehovah. It will produce harmony instead of inharmony. Below are listed some quotations from the Bible on sound and singing:

You like to compose songs, as David did, and play them on harps. -- Amos 6:5.

Fear

For the Spirit that God has given us does not make us timid; instead, his Spirit fills us with power, love, and self-control. -- II Timothy 1:7.

This makes it plain that you bring about fear because you do not understand God or the Divine Law. When you do understand these laws you are free and you do not fear. Fear causes more trouble and misfortune than anything in this world. Job said: "I had a great fear and it came upon me." This proves that the wrong thoughts will bring about the wrong results. You must supplant fear with hope and faith. Learn how to use and apply the Magic Word, Jehovah, which removes fear from your mind. Fear causes a short circuit in the mind and body, and until all fear is removed you cannot make progress using the Magic Word, Jehovah.

I groan with sadness for Moab, with grief for Kir Heres. -- Isaiah 16:11.

Lord, look upon us from heaven, where you live in your holiness and glory. Where is your great concern for us? Where is your power? Where are your love and compassion? Do not ignore us. -- Isaiah 63:15.

Many people do not understand what this means, "the sounding of the bowels." This is deep breathing or vibration of the Magic Word, Jehovah, which arouses the solar plexus which in turn affects the stomach and the bowels. If you can chant the three syllables of the Magic Word for one minute for each syllable you will get better results in whatever you are praying for.

Time

I spend the night in deep thought; I meditate, and this is what I ask myself. -- Psalms 77:6.

Shout for joy to God our defender; sing praise to the God of Jacob! -- Psalms 81:1.

You hear my voice in the morning; at sunrise I offer my prayer and wait for your answer.
-- Psalms 5:3.

The Lord (Jehovah) is my strength and song, and is become my salvation. -- Psalms 118:14.

The above references tell you that it is good to sing or chant morning, noon or night, and to sing or chant aloud. This also means to sing or chant the Magic Word aloud.

In Psalms 118, the word Lord means Jehovah and this again proves that you gain strength through singing the Magic Word.

Health and Healing

Apply the same rules of singing, chanting and vibrating the Magic Word, Jehovah, for healing the body. Refer to the concordance and read everything in the Bible on fasting, breathing, eating, exercising, thinking and drinking water and bathing in water.

The three requirements to sustain life are: eating, drinking and breathing. Did you ever stop to think which is the most important and why? Men have fasted or gone without food for thirty to forty days and still lived and got well. One can seldom live without water for more than four days. Therefore, water is more essential than food. You cannot live four minutes without breathing. Just try holding your breath for one minute and see what happens. This is proof that proper breathing is the most important thing for your health and for your mind. By vibrating the word Jehovah, the Magic Word, you send the breath or the air to the solar plexus and to the bowels, thus putting the body in perfect harmony. This kind of breathing should be practiced three times a day; morning, noon and night, if possible. However, you can get results by doing it at any hour. My experience has been for the best results to practice this just before going to sleep and when I first waken in the morning. Take seven deep breaths, exhaling and inhaling, rest a few minutes between and take seven more deep breaths. Do this three different times, making twenty-one in all. However, seven times at one time will bring good results. Each time you exercise deep breathing vibrate the three syllables of the Magic Word, Jehovah, for three times and speak the words: "I want perfect health." If you have any special diseases or pains ask that they be removed. Speak the words: "I am sending the power of the Magic Word, Jehovah, to my leg, stomach (wherever the pain may be)." Command the Divine Power through the Magic Word, Jehovah, to go to the seat of your trouble and remove it. Have faith, believe that it will be done, and it will be done.

Eating

The problem of diet is different for different people. The Bible says that what is one man's food is another man's poison. Each of you must learn by experience what is best for you to eat. Moderation in eating is advisable. Most people eat too much. Read all references in the Bible under eating.

Water

This is next in importance to breathing. Most people do not drink enough water. You should drink water at least three times a day, morning, noon and night. It will help you if you drink water every hour, if possible. The body is over seventy percent water and you continue to lose water through perspiration and elimination and what is lost must be replaced.

Exercise

Stagnation is death and action is life. It is necessary to exercise in the open air as much as possible. Waking is generally recognized as one of the best forms of exercise. Correct breathing and exercising in bed is good. Each person can find the kind of exercise which will help him and suit him best.

Fasting

We have given many references on fasting as taught in the Bible. It should be practiced by everyone. Both for the health and for mental condition. Fasting should be practiced at least four times per year at the change of the seasons. The time of fasting should be from three to seven days. Most people would be healthier and much better if they fasted one day in each week. Abstaining from food will not hurt you, especially for a limited length of time but you must always drink plenty of water and breathe properly. When you fast you give the stomach and bowels a rest, and clean out all impurities. This removes the short circuit from the body and the mind, being very beneficial. Many chronic so-called diseases can be healed through fasting.

Prayer and Fasting

When the disciples asked Jesus why they could not perform the so-called miracles which Jesus performed he answered them saying, "These things only come through prayer and fasting." This is evidence that you may be praying for good health or for some disease to be healed, but that you are not eating right or fasting and you will not get results because you are not obeying the physical law.

In 1943 I had a severe attack of sciatic rheumatism. I had tried many doctors and remedies but I continued to grow worse instead of better. I had been praying that my health would be restored and had been using the Magic Word, Jehovah, but still I was not improving.

I started to read the Bible to find out what was wrong and what I should do.

One day I was reading St. Mark and came across these verses:

After Jesus had gone indoors, his disciples asked him privately, "Why couldn't we drive the spirit out?"

"Only prayer can drive this kind out," answered Jesus; "nothing else can." -- Mark 9:28, 29.

After I read this I realized that I was probably making a mistake by not fasting and removing all of the poisons from the body. I immediately went on a fast for nine days, eating no food of any kind but drinking plenty of water and fruit juices. At the end of nine days I was completely well and felt better than I had for many months. I was healed in mind and body. I then realized that I need never have sciatic rheumatism again, if I obeyed the physical and spiritual laws. I have never had a return of sciatic rheumatism. Soon after this time, in 1943, I started to write this book, The Magic Word, but due to the war which caused a shortage of help I was unable to finish it. After my retirement from active business I decided that I owed a duty to others to tell them the value of the truth, which I had learned from the Bible, and to try to instruct them in the use of the Divine Law which I had found worked for me when I practiced it. I know of hundreds of other people who have followed this law and used the Magic Word and received great benefit from it. You, too, will receive benefits if you apply the rules strictly and obey all of the commands as laid down in that great Book, the Holy Bible.

Things to Do to Bring Results

Give yourself to the Lord; trust in him, and he will help you.

Don't give in to worry or anger; it only leads to trouble. -- Psalms 37:5,8.

"Stop fighting," he says, "and know that I am God, supreme among the nations, supreme over the world." -- Psalms 46:10.

Morning, noon, and night my complaints and groans go up to him, and he will hear my voice.
-- Psalms 55:17.

But as for me, I will pray to you, Lord; answer me, God, at a time you choose. Answer me because of your great love, because you keep your promise to save. -- Psalms 69:13.

Then men may know that thou, whose name alone is Jehovah, art the most high over all the earth. -- Psalms 83:18.

Remember your promise to me, your servant; it has given me hope.

Even in my suffering I was comforted because your promise gave me life.

In the middle of the night I wake up to praise you for your righteous judgments.

Seven times each day I thank you for your righteous judgments.

Those who love your law have perfect security, and there is nothing that can make them fall.

I obey your teachings; I love them with all my heart. -- Psalms 119:49,50,62,164,165, 167.

Remember when you learn how to use the Magic Word, Jehovah, and obey all the laws and commandments of the Bible which will give you health, happiness and prosperity, the one thing which you will have to guard against most is wrong speaking and wrong thinking. If you can overcome the greatest hindrance that brings about all others, which is fear, you will have accomplished all the results promised in the Bible through obedience to the Divine Law and through the use of the Magic Word, Jehovah.

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. -- Psalms 23:1-4.

Meanwhile these three remain: faith, hope, and love; and the greatest of these is love.
-- I Corinthians 13:13.

> "If I can throw a single ray of light
> Across the darkened pathway of another;
> If I can aid some soul to clearer sight
> Of life and duty, and thus bless my brother;
> If I can wipe from any human cheek a tear,
> I shall not then have lived in vain while here."

Jesus drew near and said to them, "I have been given all authority in heaven and on earth.

Go, then, to all peoples everywhere and make them my disciples: baptize them in the name of the Father, the Son, and the Holy Spirit,

And teach them to obey everything I have commanded you. And I will be with you always, to the end of the age. Amen. -- Matthew 28:18-20.

This book, in order to benefit you, must not be read once and laid aside. Read it at least three times over a period of three weeks. If you will read it one time, each month in the year, and follow the instructions on how to use the word, JEHOVAH, i.e., chanting, humming or saying the word.

HEART TROUBLE
MAN'S GREATEST ENEMY

Medical reports show that heart trouble is taking a greater toll of useful men and women each year than almost any other disease. Part of the money received from the sale of this book, THE MAGIC WORD, will be donated to teaching how to cure heart trouble through the use of the Magic Word, JEHOVAH, and by proper breathing. All diseases can be cured by the divine power. The Bible makes this very plain. God's power is the greatest, and Jehovah's way is the right and best way. Try it and prove it to yourself.

W. D. Gann is in his 72nd year, he is in good health, active and young, and he can do as much work as he could when he was 30-years old. He gives credit to the divine power and by his using the Magic Word, Jehovah, for his good health and success.
